## Recap

Happy Friday Unit Troy! It has been another busy week within the unit, mainly with the preparations and execution of our AMI. NS4's! Our Booster Club has released the application for the NJROTC Booster Club Scholarship. Up to ten scholarships will be awarded to cadets who show the qualities of leadership, perseverance, dedication, sportsmanship, and academic excellence. The deadline for applying is 2100 PST Saturday April 11, 2021. [Here](#) is the link to the application form. Good luck! Finally, I wanted to bring attention to our cadets. We are continuously proud of our cadets for doing school through Zoom no matter which cohort you are in. It has been nearly a year since we've begun Distanced Learning and it has not been easy. Please know that

your resilience and hard work does not go overlooked, and if you are struggling mentally, you are not alone. If you ever need someone to talk to, your NSI's and Interventions Officer are here for your support.

## Summary of AMI

On Tuesday, the cadets participated in our Annual Military Inspection. Normally, we would be in the North Gym in the early morning as pictured on Page 1. But instead, Personnel Inspection was held during class and the rest was held after school. Our c/CO Karishma Seth provides the following statement:

"This past week our Unit held the most anticipated event of the year, AMI! Though it was virtual, our cadets were extremely impressive and I am proud of each and every one of them. Rear Admiral Nowakowski had nothing but positive remarks regarding our unit and its leadership. This review made its way up to the Area 11 manager as well as Rear Admiral Sands! Keep up the hard work cadets!"

## From the NSI's

CDR Lauper:

"Hello, Warrior Families!

I want to start by congratulating our Cadets on an outstanding Area Manager's Inspection (AMI). On Tuesday, Rear Admiral Nowakowski, Deputy Commander of Naval Education and Training Command, conducted the off-site inspection via Zoom. Our Cadets had a Personnel Inspection in their class

periods, and then over 230 of our Cadets met the Admiral that afternoon. Our Cadet leadership and Team Commanders briefed the Admiral on everything that our program has accomplished in spite of COVID. We make no excuses...we adapt, improvise, and overcome...leading Area 11. This is how the Admiral described his impression of Troy NJROTC:

"It was an honor and privilege to meet with such professionals during the Area Manager's Inspection (AMI). This NJROTC program is absolutely World Class and scored 100% of available points. The cadets and staff simply nailed it across the board - leadership at its best. Poised, confident, sharp, innovative, dedicated, prepared...these are the words that immediately come to the top of my mind. My sincere best to Troy High School NJROTC in the upcoming National championships!" Admiral Nowakowski forward his thoughts to our Area Manager and Rear Admiral Sands, who is responsible for ALL NJROTC and NROTC programs. Well Done! Truly a team effort.

On Sunday, February 28th, our College Options teams competed in Level II of the competition. At 1000 on Monday, March 15th, the teams qualifying to compete at Nationals will be announced. The announcements will be live-streamed [here](#).

Next weekend, March 19-21, our CyberPatriot Team will be competing in the National Finals. Our Cadets have so much talent ...and the Admiral noted during the inspection that high tech companies are desperate for skills such as cybersecurity and programming, which our Robosub team teaches to middle school students each Monday.

Football games are scheduled for March 19, 26, and April 9th. We are preparing to provide the Color Guard and other volunteers if permitted by the COVID rules in effect.

Thank you to all of our Cadets, parents, teachers, administrators, and others for your support and enthusiasm in our great Cadets!
