Recap

Happy Friday Unit Troy! After starting school and going on eight weeks of distance learning, we are getting closer and closer to beginning the new hybrid schedule. Please be aware that an official date of return has not been released, but it is expected it will be sooner rather than later. Last Thursday, another cadet-led lecture was presented to each platoon about the dangers of social media. This was a very informative presentation that every cadet benefited from. A special thank you to c/CCO Audrey Wang and c/XO John Phillips for an outstanding job in putting this presentation together. Another event that took place last Thursday was our Awards Night. If you didn't know, at the end of each school year we hold an

Awards Night to present a number of awards and/or scholarships to many of our cadets, but like everything else, this was put on hold once the lockdown happened. Last Thursday, the Awards Night was able to be held through Zoom and several of our recently graduated NS4's were able to join us in this event. Congratulations to all of the cadets to received an award and thank you to CDR Lauper for allowing us to have our Awards Night! If you were unable to join the Zoom, CDR Lauper has posted a list of the award recipients on our Facebook group. Lastly, coming up we will be having our first virtual Leadership Academy. This will be held on October 3rd and 4th as well as the 10th and 11th. If you would like more information on this or any of the other events mentioned, feel free to contact the NSIs or our Top 3! Thank you and have a great weekend!

From the NSI's

Hear from our Naval Science Instructors!

CDR Lauper:

"Hello Warrior Family! Progress is being made. We have begun to issue uniforms to our freshmen (NS1) Cadets. Please contact First Sergeant Barnes to make your appointment.

Some teams are beginning to move forward with limited practices. All paperwork must be completed, including the sports physical. This weekend, we are hosting our first virtual Leadership Academy. Up to 10 of our Cadets have been invited to participate. Our Brain Brawl team is beginning to compete. College Options Foundation and Quizbowl will be getting started very soon. Requests for Senior Letters of Recommendation are continuing to flow in and are being completed as fast as I can. Keep them coming! Our Cadets put together a wonderful presentation on the dangers of social

media...all of our Cadets should be aware of potential future consequences of their decisions today. It is important that everyone remain safe and continue to take the appropriate precautions. October 12th is a very important date for our Navy. Ask your Cadet what the significance is... Until next week, Commander Lauper"
