Recap

Happy Friday everyone! Unit Troy has been very busy these past few weeks starting team activities and planning for the possibility of coming back on a hybrid schedule! Please be sure to read through the following announcements and don't forget that Back to School Night has been confirmed for September 17th in a virtual format. Lastly, as previously mentioned, most teams are beginning workshops, tryouts, and practices. In order to keep everyone updated, the practice schedules for all teams are now available in the newsletter under "Team Schedules." Keep in mind, these schedules cover just the next two weeks, or until the next issue of new newsletter is released. Other than that, enjoy a three day

Athletic Clearance

Regardless of what cohort you choose, please be sure to complete the five basic forms that allow you to participate in the program. This includes getting a sports physical anytime after May 1st, 2020. One location for this is The Pacific Urgent Care Center in Fullerton. The cost is just \$35, no appointments are necessary, and it takes less than an hour. Once all your forms are completed, make sure they are emailed to both LT Fronek (rfronek@fjuhsd.org) and Ms. Olivar (nolivar@fjuhsd.org) to be cleared!

Cruise Book Discount

Let's talk about our cruise book! In case you didn't know, Unit Troy has it's own yearbook-style publication that we call a cruise book. This is designed every year by our cadets and serves as a great way to commemorate your year in JROTC. I highly recommend getting a copy, and if you purchase one before September 30th, you can get yours with a 10% discount. If you are not yet convinced, purchasing early also gets you two full pages that you can personalize with your own pictures. Don't wait before it's too late!

From the NSI's

Hear from our Naval Science Instructors!

CDR Lauper:

"Welcome to the second edition of our newsletter. By now, all of our students are heavily engaged in distance learning. This method of learning is certainly more intense than in person classes. The amount of emails received are overwhelming and

responses are frequently delayed. I am extremely proud of our Cadets and the leadership that they are displaying despite the challenges. Our teams are ramping up operations in innovative ways. Already, we are looking ahead to hosting our annual quizbowl tournament, SeaPerch, and more. Everything needs to be done safely. Cheer and Football have had their activities halted for a minimum of two weeks due to COVID concerns. In a normal year, we would be heavily involved with Fleet Week LA. Unfortunately, it will only be a virtual Fleet Week this year. Please continue to submit the required documents and physicals. Continue to stay safe and flexible. Uncertainty can be very stressful."
