## **NJROTC**

### **Stands for:**

Naval Junior  
Reserve Officer  
Training Corps

- The program  
was  
established by  
congress in  
1967 with  
NJROTC units  
all over the  
country and  
even some  
overseas!

- Our cadets  
participate in  
every activity  
on campus!  
Athletics,  
Band, Choir,  
Drama, AVID,  
ASB etc.

- Our cadets'  
safety is our  
number one  
priority!  
Followed very  
closely by their  
Academic  
success!

## ***Troy High School NJROTC***

Thank you for your interest in  
THE BEST Program on Campus!

First off,

**WE ARE NOT  
RECRUITERS!!!!  
There is no obligation or  
commitment to join the  
military!!!!**

Our goal is to promote citizenship!  
The Instructors are to give the cadets  
self confidence, self discipline, and  
the skills to be successful after grad-  
uation.

The Instructors are required to be  
Retired Navy or Marine Corps and  
go through a long process to teach  
the curriculum.

We encourage our cadets to be in  
sports and other activities on cam-  
pus. There is room for sports and  
our program.

As soon as you step on campus, you  
are a part of a family. Our cadets  
receive a lot of team building and  
leadership skills every day in our  
program!

## ***Benefits of NJROTC***

- Cadets currently receive PE credit for the first two years in the program
- Troy is the only unit with NJROTC Honors classes for third and fourth year cadets
- Our students take a Physical Fitness Assessment based on National Standards.
- Students are not just graded by how they do in the program, but how they conduct themselves on campus as well
- Uniforms do not have to be bought as they are issued to our cadets. Uniforms are only paid for if damaged by the cadet.
- The program attends numerous competitions all over the Nation.
- The unit attends field trips all over Southern California
- Students who chose to go to the military get advanced in paygrade for being in the program

## ***Benefits of NJROTC***

- NJROTC is a way of adding more to a college application to help students stand out above their peers.
- The Instructors are strong references for job applications
- The program offers cadets applications for the United States Naval Academy and NROTC scholarships.
